

The Phi Alpha Chapter of Delta Kappa Epsilon at the University of British Columbia will be hosting our inaugural Charity Golf Tournament on Sunday, September 13th, 2009 at the Mylora Sidaway Golf Course. Our charity golf tournament is the centre-piece of a philanthropic portfolio that will increase our Chapter's active participation in the community. By tapping into our network of over 1000 Alumni and 60 Undergraduate Members, we aim to raise as much as we can to be donated to the Canadian Diabetes Association. We are asking for your support either through financial contribution, or through donations of prizes or gifts that can be raffled or auctioned at the tournament to assist in achieving our donation target.

- The Canadian Diabetes Association works in communities across the country to promote the health of Canadians and eliminate diabetes
- Diabetes is a serious deadly disease which impairs the body's ability to use food properly
- Diabetes is one of the leading causes of death by disease in North America
- Every \$500 donated pays for 20 hours of world-class diabetes research, \$200 sends a child to a diabetes camp for a day, \$125 allows one person affected by diabetes to attend an educational session on diabetes management and every \$50 gives two volunteers a full day of training to help educate and raise awareness of diabetes
- Visit www.diabetes.ca for more information

We are currently offering the following tiered sponsorship program that allows you to choose the donation level that you would like to commit to with corresponding recognition:

<u>Sponsorship Level</u>	<u>Donation</u>	<u>Recognition</u>
Level 1 Sponsor.....	up to \$199.99	Corporate Logo on DKE website with a link to your company's website
Level 2 Sponsor.....	\$200.00 and up	Corporate Logo on DKE website with a link to your company's website as well and company banner at post-tournament dinner and/or hole sponsorship
